

List of Recognized Testing/Certification Agencies (RTA)s registered with the Office of the Communications Authority for Provision of Testing Services

Recognised Testing/Certification Agencies (RTA)s are agencies competent to perform evaluation of telecommunications equipment and Industrial, Scientific and Medical equipment against the technical standards or specification prescribed by the Communications Authority (CA). Other than the registered RTAs listed in the following table, the CA also recognizes some other testing/certification agencies as RTAs. For details, please refer to the document OFCA I 411 entitled “Recognized Testing/Certification Agency (RTA) for Evaluation of Telecommunications Equipment”, which can be downloaded at OFCA website.
