

# COMPLIANCE LABEL INFORMATION

Every product is subject to regulatory marking requirements. These label regulations differ from country to country. IB-Lenhardt AG supports you with all necessary information and the specific requirements for national markings. Furthermore, we provide assistance to designing, drafting and reviewing product labels, giving you more freedom to focus on what you do best: your product.

IB-Lenhardt AG  
Type Approval Experts  
Worldwide Homologation

Heinrich-Hertz-Allee 7

This document provides a free, but shortened demonstration of our compliance label information for [Singapore](#).

We gladly provide you a label file without watermarks, either in PNG, SVG, EPS, DFX or DWG format. Get in touch with us now and we'll be happy to serve as your labelling provider at a very reasonable rate.

Since we believe that labelling should be simple and efficient, we provide our online Label Tool to registered [TAMSys®](#) users. Try it now for free, no risks involved! If you have any question or need further assistance about label requirements in Singapore, please feel free to contact us and we will enjoy helping you.

IB-Lenhardt offers full service on Type Approval and Homologation for your radio product in Singapore and worldwide.
